Mandala Meditation

Role	Mobile Developer, Tech Lead
Tech Stack	Flutter, php,Git, MVC Architacture,ML Kit,Firebase
Summary	Mandala Meditation - Discover inner peace through the art of mandala meditation.. Mandala meditation apps are designed to help users achieve a state of relaxation and focus by engaging in the ancient practice of coloring mandalas. Mandalas are intricate circular designs that are believed to represent the universe and are used as a tool for meditation and spiritual growth. With a mandala meditation app, users can choose from a variety of mandala designs and color palettes to create their own unique mandalas. By focusing on the act of coloring and the intricate details of the mandala design, users can quiet their minds and enter a state of deep relaxation. Mandalas are also believed to have therapeutic benefits, helping to reduce stress and anxiety and improve overall well-being. Mandalas have been used for centuries as a tool for meditation and self-discovery, and a mandala meditation app can help users tap into this ancient practice and experience its benefits in their daily lives
